Welcome to Anastasis

Compassionate, Modern Care for Skin, Body & Nervous System

At Anastasis Health & Aesthetics, we believe the skin, body and nervous system are deeply connected. Our approach brings together personalized skin care, advanced aesthetics, therapeutic bodywork and nervous system regulation to create care that goes beyond the surface.

Every treatment is thoughtfully customized. Some clients come to us for healthier skin or aesthetic renewal. Others are seeking relief from chronic tension, stress or patterns of holding in the body. Many discover that the greatest change happens when we stop treating each part in isolation and begin caring for the whole person.

The Anastasis Difference

Anastasis means resurrection – a return to life, vitality and wholeness. We believe meaningful results begin with listening: to your goals, your skin, your body and the patterns that may be asking for attention.

You do not have to know exactly what you need before you arrive. Come as you are. We will help you choose a thoughtful next step.

CANCELLATION & APPOINTMENT POLICY

We value the time reserved especially for you and appreciate the same consideration for our providers and other clients. We kindly request a minimum of 24 hours' notice when canceling or rescheduling an appointment. Appointments canceled or rescheduled with less than 24 hours' notice may be subject to a 50% service fee. Same-day cancellations and no-shows may be charged 100% of the scheduled service.

For packages, series or prepaid treatments, a late cancellation or no-show may result in the scheduled session being deducted from the package. Because many of our treatments require significant time to prepare and reserve, a deposit may be required for extended, advanced, permanent makeup or specialty appointments. We understand that emergencies and unexpected circumstances happen and will always approach those situations with consideration.

By scheduling an appointment, you acknowledge and agree to the Anastasis cancellation policy.
